Yes, if you want to participate in the drives, like coffee and Porsches and are not a member you should be a member. It's not very expensive.

Do non members join the sat drives, they do, and we should have the, sign up to be a member. Easy to do. You can sign up on the spot, only takes a few minutes. If you aren't a member you should not be allowed on the drive. Liability and risk issue with our insurance.

Approximately 25 people are working on it. We should receive banners from National in mid February. Logo and artwork is complete, music is arranged, speakers are all on board, Kevin is working on videos, Diana's working on apparel, merch, swag to sell. Still room for some sponsorship. There will be 4-5 cars in front of Spur Wing for the event. Lots of fun!
