President - Anthony Vierra

- Zone 6 President's meeting: this weekend in Victoria, BC. Anthony will be attending. Members present were encouraged to send any questions or clarification on any policy matter to Anthony via email.
- June 6: Coffee and Porsches and Fast Lane Drive: SSPCA has been asked to make this a collaborative effort with Fast Lane Drive. Due to PCA insurance for our drives, this must be a separate event. Anthony expressed that it is important to keep our SSPCA Club attractive to members and to keep our PCA events attractive and fresh. Discussion took place.

- Breakfast Club drive: May 23, 2026. President's Mystery Tour will be moved to June 2026. Date TBD.

Vice President- Kevin Mitchell

- Adopt A Highway event is May 3, 2026. Registration open.

Secretary – Jackie Roeder

Working on the all member club survey. Reviewing previous club surveys. Plan to have survey completed and out to membership by June 1, 2026. Will include pre-survey information in the Happenings. A suggestion was brought forward: any member/co-member answers the survey, enter into drawing for a prize such as a dinner coupon. Board will consider this.

- Committee reports

Coffee and Porsches: Bob Kunz

First event of the season was a success. 36 cars on the drive. Refreshments provided by Porsche Boise. Registrations sold out early. The change for registration and socializing prior to the event worked well. Upcoming trips planned.

Charity - Gretchen Hill: A few charities have been nominated for this year. Committee in place. Presentations by charities for this year at either May or June Board meeting. Theme this year is "Masquerade." Committee is considering keeping the same charity for 2-3 years, as the one we support. Gary R. cautioned about if we support the same charity over several years, for that charity not to rely on our support. Allow all members to support as they are able.

Membership Report - Loren Stumbaugh:

March: 3 new members, 3 transfers in

14 lapsed memberships

853 members total

517 primary membership

336 Co-members

PCA National: 111,994 members, 58,027 co-members, 23 Life members

Tech Talks - Jackie Roeder:

March 21 Ladies Tech Talk recap: 30 ladies at the Tech Talk hosted by Porsche Boise. Entire Service Dept., Service Manager, Service Advisors, Sales Team, Eddy, Tina all present! Spring decor for the luncheon as well as a very nice taco/burrito buffet from Costa Vida. Lovely Porsche inspired gifts for all the ladies. Lively conversation all around. 25 ladies then drove/rode to Riggins. Salmon Rapids Lodge was very accommodating. Very fun and enjoyable trip. Requests for this to be an annual event, maybe biannual. Thank you to Nancy Sommerwerck for all her help planning the drive. Thank you to Porsche Boise!

Tours- Diana Molenaar: Open spots remain for the trip to Lake Chelan, WA. (June 2026), and to Bend, OR. (July 2026).

60th Anniversary clothing available on line. \$600 worth of items have been ordered so far.

DE/AX - Gary Roeder/Keith Hahn:

March 14 Spuds: Enthusiastic turnout, fun auction. Thanks to Bob Denton. Raised about \$4400 net! This allows our committee to move forward with additional loaner helmet purchase and to replace a number of our cones.

One idea we've also bounced around is a registration discount for PCA members.

Sim events. No firm proposals yet. In discussion with the tech talk chair about Mike Harleys software demo at a fall event?

TRSS (Street Survival) contacted us again about a potential event. Until we can find a venue, we won't be able to hold either a TRSS or an adult driver skills clinic. Ideas welcome.

Brezelcross: April event sold out, wait listed. 12 novice drivers have signed up. Discussion about creating an incentive for novice drivers to return for future events. Hopefully, a new asphalt area will be poured at The Motorplex at the Mill prior to this event. Will allow for 3-4 more track designs. Need a volunteer to drive the Idaho Flooring van to and from the event.

Sage Tick Report - Mercedes Vierra, agreed to fill in as editor and graphic designer for the magazine

best format. High resolution photos please. Advertisers must send in jpeg or png format.
