Additional revisions have been added to bring our bylaws into agreement with National Bylaws. Anthony moved to send out the ballot August 10th. Kevin seconded, Jackie voted yes. Vicki voted no. Motion passed. Discussion held.

After adjournment of the meeting, the following statement was sent via email to Board members from Mark Prusynski, member of the PCA National Policy committee: "In any event, the RPM states: "The Region will send its revised Bylaws to the National Policy Committee at PolicyChair@pca.org for review and endorsement before voting upon the changes."
